Dearest Family - Hope you survived the 4th in good shape. It was cool & showery so we mowed lawns & pulled weeds. Coop went to work at 6 - he is on shift for a few days - 14 hrs. Tomorrow Brea. picnic So watch it pour! Rec'd the birthday cake - it was really appreciated & consumed. Also thanks for check but you were told to keep it & apply on your new ref. you put so much in the envelope of the old one, & were so glad you have a new ref. Slippers haven't arrived, but should today. Haven't figured out our exps. Bill for trip yet, but it will be plenty plus the $40 for tire. Borrowed $ from Coop's folks & Thot they just say not to pay it back since they wanted to see us so badly: but no. And I still owe Alice a lot. Oh well. Love & kisses R. & C.
